### **Cheryl Smith's Perennial Plant Give Away Spring 2024**

Cheryl would like to know if anyone is interested in acquiring anything new for their yards or the yards of friends and family. Those of you that are interested in acquiring any plants may contact Cheryl at 330-592-7992 (cell) or 330-626-5843 (land line) any time after March 1, 2024. Please leave a message and Cheryl will return your call. A time can be setup to meet, review what you want and determine an appropriate time to dig up the plants. Spring transplanting is better for some plants, fall transplanting is better for others and some can be dug up and transplanted anytime. Cheryl looks forward to hearing from you.

Thanks, Cheryl Smith, 1455 Lake Martin Drive.
